**Department of Health Services  
Children's Medical Services Network  
(CMS Net) - Information Bulletin # 44**

The November change cycle update was completed November 8.  
The following were updated:

- 1) ICD-9 code update to the October 2003 update. Please refer to the attached document for a complete list of new, updated and deleted codes.
- 2) PTR - Correction to rate tables and batching for PTR records.
- 3) Insurance/Other Coverage - Drop down list of insurance carriers from the Department of Health Services, Third Party Liability Branch carrier master file. This file will be used to select commercial health coverage on a patient record. Free text entries are NO longer allowed.

---

UCSF Children's Hospital has been added as a Domain Provider Number for you to select when entering a Request For Service. Please be sure and select the appropriate Domain Provider Number when entering your Request for Service, as this will build the relationship that allows the Provider online access to that specific patient. Once the relationship is built and the request has been authorized the Providers listed will be able to print the authorization at their site. Participating Providers are: UC Davis Medical Center, Sutter Memorial Hospital and UCSF Children's Hospital.
